

THE WESSEX STATIONARY ENGINE CLUB LTD

Application to Join/Renew a Membership for 2019.

All forms must be sent to the Membership Secretary: Mrs Wendy Gane. 45 Welsford Avenue, Wells, Somerset, BA5 2HX.

Notes

1. We would be grateful if you could just complete this form so as to provide a "paper trail" as they say these days. It is purely for internal use and is an old fashioned, hard copy back up for our electronic files. We will never, ever share your information with any other organisation.

2. We usually have a club meeting on the last Monday in most months. There is always a talk, quiz or other activity on club nights. See calendar for details. Membership also includes £5,000,000 of Third Party Liability Insurance in respect of the public display of your engines.

3. Please enclose a Stamped Addressed envelope for the return of your Membership card. Membership cards for any application without the SAE will be returned with the next issue of the club newsletter.

4. Memberships are due for renewal in January each year, members not renewed by March 1st will be deemed lapsed. We encourage young members - but anyone under the age of 16 wanting to run an engine at any of our events must be accompanied by a paid up adult member.

For photos and up to date events :- Website:[Http://www.wessexsec.org](http://www.wessexsec.org) and Facebook:- Wessex Stationary Engine Club

We may periodically send you emails with club information - Should you not wish to receive these please tick

Cheques payable to "WESSEX STATIONARY ENGINE CLUB Ltd please.

About our club

Our club was founded in 1976 to develop and exchange views and information on stationary engines and the equipment they drove. We are a very active lot, putting on spring and autumn sales at the East Somerset Railway, Cranmore, several informal display meets we call "crank-ups" and a two day show in June. We also publish a monthly 4 page newsletter with news, for sale and wanted ads and a lot more.

Perhaps you are interested in vintage engines and machinery or need some information or assistance on a restoration project and/or somewhere to show off your pride and joy. You may remember machines and equipment you worked on in your younger days. Joining our club would put you in touch with many like minded souls and give you membership of one of the largest clubs in the UK.

WESSEX STATIONARY ENGINE CLUB Ltd - Safety Rules

1. All engines and driven equipment must be exhibited within the barriered enclosure. They must be a minimum of 1.8 metres from the safety barrier and at least 1 metre apart.
2. No member of the public is allowed inside the barrier on any pretext whatsoever.
3. Engines must be displayed so as to have their flywheels parallel to the barrier and where possible furthest away from the onlooker.
4. No machine may be worked on, cleaned, polished or refuelled whilst running.
5. The area around the exhibit must be kept clear of any trip hazard and drawbars stowed safely.
6. No engine shall be left running unattended. Any person left in charge to oversee its operation in the temporary absence of the exhibitor must be competent to stop the machine in an emergency.
7. As far as practicable, engines and driven machinery must be good neighbours. Reasonable levels of exhaust cleanliness and silencing are expected.
8. Any exhibitor failing to comply with these basic guidelines may be asked to shut down their engine/driven machinery. Reasonable warning will be given.
9. **To keep postage costs to a minimum we would like to send your newsletter electronically. If you would prefer to keep receiving a paper copy please tick**
